2. Programs sponsored by local, state, regional, or national veterinary associations and other continuing educational programs or training approved by the North Dakota veterinary medical examining board. The board accepts programs approved by the registry of approved continuing education of the American association of veterinary state boards.
3. Wet labs or instructions, or both, taken at a college or university, the subject material of which must pertain to veterinary medicine.
4. Up to eight hours of veterinary continuing education may relate to practice management. Programs designed to enhance the veterinarian's ability to earn money, invest money, or relating to personal financial planning are not acceptable for meeting the continuing education requirement.
5. Programs presented by pharmaceutical companies and other commercial groups may be approved, as long as they consist of objective presentations of scientific information and are not designed principally to sell products to the veterinarian or the animal owner.
6. Eight hours of participation in a clinical setting at another veterinary practice and completion of the written report required by the board's veterinary exchange program.

Proof of attendance and verification will be necessary on request. Verification may include a printed program, certificate, brochure, handout, or syllabus that lists the
